

Class 2 Newsletter

April 2022

We hope that you had a restful Easter holiday.

Here is what we will be learning about in each area of the curriculum during the next half term:

Literacy: Little Red Reading Hood (not a type error!) and Bold Black Women in History

History: Significant people- Rosa Parks and Emily Davidson

Science: Investigating what plants need to grow

RE: Creation

DT: Food

ICT: Gathering and recording data

Music: Travel and our school-Music Express

PSHE: Being my best

PE: Y2 Swimming/Y1 Tennis coach and invasion games

Numeracy: Position and direction, time, statistics

Named clothes

Please ensure that anything that your child brings into school is clearly named.

As the weather becomes warmer it is important they have a named hat. If possible please send your child in with suncream already applied as we cannot do this for them in school. They may bring labelled suncream to apply themselves.

Bookworms

You will find your child's bookworm at the back of their reading diary. Please sign this each time they read with you at home. When it is full they will be able to choose a small prize from school. Reading really does open the door to a world of opportunities.

Please contact us with any concerns or messages about your child on our class email address:

Classtwo@mrsmmarykings.lincs.sch.uk

Many thanks for your continued support,

Mrs R Wheatley
Teacher

Mrs R Cowling
