

Modern Foreign Languages Statement of Intent:

Our Modern Foreign Languages curriculum will enable children to:

- Develop a love of languages.
- Show respect and play a valuable part in our global society.
- Celebrate and welcome differences in our world.

Implementation:

Walcott Primary School provides French language learning in Years 3, 4, 5 and 6. Each class has 1 x 30minute MFL lessons which is taught on a weekly basis. A variety of language teaching methods are used to match groups and individuals with different learning styles, these include games, role-play, use of a range of media and songs. The lessons are made as entertaining and enjoyable as possible, as we realise that this approach serves to develop a positive attitude in the children to the learning of modern foreign languages. At Walcott Primary School, there is a clear progression of skills and understanding that builds through Key Stage based on the National Curriculum Programme of Study. Teachers plan lessons with access to the La Jolie Ronde scheme, which supports staff in ensuring that their delivery of French is accurate, even if they are not a French speaker themselves. This planning takes account of prior learning and builds on this. At each stage, the teacher will refer to prior learning and carry out informal assessment of children's stage of development before moving on.
